Membership Benefits

Build credit with your rent

- Rent reported to all three major credit bureaus.
- Up to 24 months of past payments added where available.
- Only on-time rent is reported — not missed or late payments.

See where you stand

- Check your credit score, see key factors in one place and watch how your score changes over time.

Help when money feels heavy

- Free and low-cost resources by ZIP code for food, housing, medical care, jobs, and bills.
- Connections to rent relief programs where available, with funds paid to your landlord.

Real-world money guidance

- Short lessons on credit, budgeting, homebuying, and renters' rights.

Moments that keep you going

- Celebrate first reported rent, score changes, and big credit goals
- See proof that your on-time payments are moving you forward

Make your money go further

- Vetted offers to save on real-life expenses like insurance and savings tools.

How To Get Started

1. Scan the QR code to download the Esusu app
2. Create an account and confirm your home/community.
3. Turn on Rent Reporting and explore your Credit Hub, Marketplace, Toolkit, and learning tools.

You keep paying rent the same way you already do with your property. Esusu works in the background to help your payments count.
