Esusu is not a bank. Lending services are provided by third-party partners, including Affirm and Stable Home Fund. Esusu only reports on-time rent payments and does not report missed or late rent payments to the credit bureaus. Using Esusu rent reporting services does not guarantee an increase in credit scores or approval for any credit product, as scores are determined by credit agencies using multiple factors including payment history on other accounts, credit utilization rates, and other variables. Individual results vary and are not guaranteed. For questions about our products and services, see Esusu's terms & conditions, FAQs, or email us.
