- Esusu Pay: Split Your Rent in Two

Esusu Pay is a transparent product with **no hidden fees, no late fees, and zero interest**, and it can help you build or strengthen your credit history by enabling you to report on-time rent payments to the major credit bureaus.

To be considered for split rent options for next month's rent, please complete your Esusu Pay application at least 5 days prior to the first of the month. Applying early allows time for review and processing.
